colorful and equitable future...**

UNITED STREETS OF AMERICA

A Hollywood Boulevard block party celebrating unity, equality, and the positive change that was set in motion on our streets in 2020.

Join us in sending a message to the world that art is an essential part of social progress.

- Celebrate local BIPOC artists
- See performances from local dance and music groups
- Enjoy food and drink from local restaurants
- Admire the art painted amidst the 2020 protests
- Engage in interactive art experiences
- VIP purple carpet arrivals + photo opportunities

... and celebrate the launch of an online art auction off the plywood boards painted during the protest to raise funds for youth arts education!

2000+ attendees!
